

Kick-Off Workshop: Experiments in the Public Interest

National Press Club Holeman Lounge Monday January 30, 2017 Workshop 2-4pm, Happy Hour 4-5pm

Welcome to the first workshop as part of a brand-new initiative entitled *research4impact* led by Adam Seth Levine, Don Green, and Jake Bowers. Our mission is to make it easier to connect people from the academic, nonprofit, and governance spaces who are interested in collaborating with each other.

Today's workshop agenda has four main parts:

- 1. Adam will offer a brief welcome and discuss how this workshop fits into the broader research4impact initiative
- 2. Six flash talks on the process of collaborating
 - --Hahrie Han (UCSB) and Joy Cushman (PICO)
 - --Robyn Stiles (LSU) and Ali Akbar (BCF)
 - --Jake Bowers (Illinois) and Amira Choueiki (OES, GSA)
 - --Chrysanthi Hatzimasoura (Lab @ DC and GWU)
 - --Alex Coppock (Yale) and David Yokum (Lab @ DC)
 - --Adam Levine (Cornell) and Sarah Alexander (M+R)
- 3. Very brief introductions by attendees to the entire room. We'll ask you to state your name, organization, and position. Along with the pre-circulated list on the next few pages, we hope this will help you connect faces with names prior to the happy hour.
- 4. Table-wide discussions regarding people's interest in, and questions about, collaborating. This part will be led by Dave Karpf (GWU).

After that, the happy hour goes until 5pm!
